

Making Sense of Maths

New DVD Release

Finally the long awaited DVD “Making Sense of Maths (Volume 2): The Measurement Mat” is ready for sale.

This DVD is designed by Jan Cavanagh to demonstrate appropriate ways of working on The Measurement Mat to Make Sense of Maths.

Many teachers have asked for a recording of some of the activities that Jan uses in her workshops. Total time is approx 60 minutes.

Jan is also available for school visits. Phone: (07) 3378 1300

Only \$30

The DVD contains the following topics:

1. Number Grids
2. Calendars.
3. Co-ordinates and Maps
4. Location, Direction and Movement
5. 2D/3D shapes
6. Flip/Slide—Symmetry
7. Perimeter and Area
8. Go-Go-Stop
